Schools' Labyrinth

INVITE TO HOST THE SCHOOLS' LABYRINTH

The Schools' Labyrinth has been a wonderful collaboration between the Cathedral, The Carlisle Diocesan Board of Education, and dozens of schools from across the county. Through it, we have been able to share the Cathedral's anniversary theme of Journey and Rest through our modern and very Cumbrian twist on the ancient spiritual resource of the Labyrinth. We would be delighted to bring this part of the Cathedral's anniversary celebrations to you and share this resource as widely as possible. We hope you will find this short brochure a helpful introduction to how you can share in this wonderful project and make it a part of the journeys God is calling us to take in wherever we are based across our country and diocese,

The Rev's Canon Dr Benjamin Carter
Canon Warden, Carlisle Cathedral

THE PROJECT

The Schools' Labyrinth was a key part of the 900th anniversary celebrations at the Cathedral. The project involved the Cathedral, The Diocese of Carlisle Board of Education team and artist Abby Kilfedder. We worked with 63 Church of England Schools across the county to create a Labyrinth that represents all the communities that the schools serve around Cumbria. Labyrinths have been used for 1000s of years to help people pray, reflect and create a moment of calm in their busy lives. We hope by walking our labyrinth people will experience a moment of rest within their busy journeys of life.

Hosting the Labyrinth

THE LABYRINTH IN YOUR SPACE

Included in hosting the Labyrinth:

- The Labyrinth will be brought to your location and set-up by a member of the Cathedral staff.
- Interpretation boards and easels to engage with the general public.
- Cathedral involvement in an engagement day (e.g. Schools day, parish quiet day) facilitated by either Cathedral staff or your local team supported by Cathedral staff.

LABYRINTH LOGISTICS

The Labyrinth laid out is 6m-sq and so would need a space a little larger than this to accommodate the Labyrinth.
