

CHURCH WALK CE PRIMARY SCHOOL

November 2025

Dear Parents and Carers,

Welcome back to another busy half term. It has been a very wet start this week so please could you ensure that children always have a coat in school. We try to go outside for playtime, if at all possible, even if just for a few minutes.

Remembrance

Each class will be doing some activities around Remembrance Day.

We have poppies for sale in school, this week. If your child would like a poppy, please send a donation.

Other items available are— fabric wristbands £1, snap bands £1.50 or poppy reflectors are 50p

Children in Need.

This year, Children in Need takes place on Friday 14th November and we will be taking part in the fundraising, The theme is "Challenge Yourself to 25". We will be doing some activities during the day around this.

If children would like to, they can come to school in non—uniform or something spotty and we will collect donations. Toast money will go towards Children in Need on that day.

School Uniform

There are a few children who have returned to school without school shoes. Although some have genuine reasons for this, please could I remind everyone that children should have black school shoes and not trainers.

We have a large amount of pre owned uniform in school, if anyone needs any.

HP Activities

This half term, Year 3 and 4 will be able to do multi skills with HP activities after school on Wednesdays until 4pm.

The Telling

On Thursday, we will be visited by The Telling, a group of musicians who perform in schools. Each class will have the opportunity to work with the musicians and participate in a short concert.

**'Teach children how they should live
and they will remember it all their lives'
Proverbs 22:6**

Flu Immunisations

The nurses will be visiting school to administer nasal flu vaccines to children from Reception to Year 6, on Tuesday 9th December. Please fill in the online consent form if you have not already done so.

There is an attached letter from the Directors of Public Health about the current situation with flu outbreaks in the county.
