

# CHURCH WALK CE PRIMARY SCHOOL

**April 2026**

## **Dear Parents and Carers,**

Welcome back. I hope that everyone had a good break over Easter.

Our Christian Value for this half term is Justice. We will be exploring this through the idea of fairness and standing up for what we believe.

## **Contacting School**

Please note that the school office is open from 8.30am to 3.00pm ( 3.30pm on Friday). If you phone outside of these times, please leave a message on the answer phone and someone will return your call as soon as they can.

We use a system called Bromcom for communicating via email. **Please do not reply to emails** as it is an automated system and they do not go to the school email address. Any emails should be sent to [admin@churchwalk.cumbria.sch.uk](mailto:admin@churchwalk.cumbria.sch.uk)

## **After School Clubs**

HP Activities is back this half term. Hannah will be running an after school club for Hoad Class on Tuesdays, starting next week.

Owain from Cumbria Cricket will be running a Junior Girls Cricket Club after school on Wednesdays.

## **P.E. Kits**

Please can you make sure that children have a PE kit in school. Hopefully we will be able to go outside for a lot of P.E. sessions, if the weather is fine. Children can bring trainers for outdoor P.E. if they want to.

Please could you check that all uniform items are named as jumpers and cardigans often get taken off and put down somewhere, when the weather warms up

## **Facebook**

We have had some queries from parents, about children not appearing on the school Facebook page. Unless you have explicitly given consent, we cannot put photographs of your child on the page. If anyone would like us to include their child and has not already given consent, please let us know via the school office.

**'Teach children how they should live  
and they will remember it all their lives'  
Proverbs 22:6**

## **Sunny Weather**

Hopefully, this term we will see some sunshine and warmer weather. If and when this happens, please send a hat and some sun cream for your child, to keep in school. The once a day varieties are often easier for the younger children and can be applied at home. Staff are unable to apply sun cream to the children and they can't share with anyone else, in case of allergies.

## **Special Mentions**

Well done to Junior Choir, who took part in the South Cumbria Music Festival for the first time. The children sang really well and came back with a trophy.

Congratulations to Ede in Year 4 who has been awarded the town bursary from the South Cumbria Music Festival and was presented with a shield for the most promising competitor.

Well done to Tom in Year 3 who has raised £1240 for the Haemophilia Society by walking over 40 miles during March. Well done to his sister Lucie in Year 5 for supporting him and walking almost all of the distance too!

We are very proud of you all and your achievements.
